SERVICES**

CONSULTATIVE SERVICES

The Division of Education and Training offers an on-site consultation program to provide employers advice on workplace safety. This service is free of charge, without threat of fines or penalties.

SERVICES WE PROVIDE

- Identification of specific hazards in your workplace, accurate advice, and assistance to correct conditions and practices that may not comply with KY OSH requirements.
- Assistance in developing and maintaining an effective safety and health program.
- On-site education and training for employer and employees.
- Assistance with occupational health and ergonomic issues.
- Participation in Kentucky's partnership and recognition programs for qualified employers.

YOUR OBLIGATION

An employer requesting KY OSH consulting services must be committed to the elimination of serious workplace hazards.

OUR GOAL

Our goal is to reach out to as many employers as possible to improve safety and health in the workplace.

BENEFITS TO YOUR COMPANY

- Reduced worker injury and illness rates
- Decreased workers' compensation costs
- Improved worker morale
- Increased productivity
- Recognition and removal of hazards from your workplace
- Improved safety and health management systems

FREE ONLINE TRAINING

KYSAFE is a free online training resource for Kentucky employers and employees. Individual class modules are available to view 24/7 on a host of safety and health subjects. Live webinars provide participants an opportunity to learn and ask questions. Webinars are recorded and available for viewing at your convenience.
