SERVICES**

CONSULTATIVE SERVICES

The Division of Education and training offers an on-site consultation program to provide employers advice on workplace safety. This service is free of charge, without threat of fines or penalties.

SERVICES WE PROVIDE

- Identification of specific hazards in your workplace, and accurate advice and assistance to correct conditions and practices that may not comply with KY OSH requirements.
- Assistance in developing and maintaining an effective safety and health program.
- Online on-site education and training for employer and employees.
- Assistance with occupational health and ergonomic issues.
- Participation in KY's Partnership and Recognition Programs for qualified employers.

YOUR OBLIGATION

An employer requesting KY OSH Consulting Services must be committed to the elimination of serious workplace hazards.

OUR GOAL

Our goal is to reach out to as many employers as possible, helping to improve safety and health in their workplace.

BENEFITS TO YOUR COMPANY

- Reducing worker injury and illness rates.
- Decreasing workers' compensation costs.
- Improving worker morale.
- Increasing productivity.
- Recognizing and removing hazards from your workplace.
- Improving safety and health management systems.

KYSAFE.ky.gov

is a free online training resource for Kentucky employers and employees. Individual class modules are available to view 24/7 on a host of safety and health subjects. Live webinars once a month target specific subjects, providing participants an opportunity to learn and ask questions. Previous webinars are recorded and available for viewing at your convenience.
